

Telepítési segédlet

helyszín kialakításhoz, zuhanykabin beszereléséhez

Ennek a kézikönyvnek az a célja, hogy segítséget nyújtson a padlón a burkolatváltás helyének kialakításánál. Ennél a beépítési módnál a zuhanykabinnak a padló vízszintes részén kell állnia a zuhanytérén kívül. A lejtett, azaz a zuhanytér terület méreteinek kisebbnek vagy egyenlőnek kell lenniük, mint a zuhanykabin belső méretei (pirossal jelzett méretek).
